

## Declaration and Release Form

I consent to the reproduction and use of my image, video and/or audio (with or without my name) upon the terms below.

I hereby grant Akoya Biosciences, Inc. ("Akoya"), its affiliates, representatives and assigns, the irrevocable and absolute right and permission to use, reuse, publish, republish, and broadcast photographic portraits, pictures and audio of me or in which I may be included (with or without my name), in whole or in part, whether composite or distorted in character or form, without restriction as to changes or alterations, from time to time, or reproductions thereof in colour or otherwise made through any media for art, advertising, trade, or any other legitimate business purpose whatsoever. The foregoing includes the right to copyright any such portraits, photographs, or other materials in the name of Akoya or such other name as it may choose. I further consent to the use of any printed material, social media material, or website material in conjunction with any of the foregoing.

I hereby waive any right that I may have to inspect or approve the finished product or products or the advertising copy or printed matter that may be used in connection therewith or the use to which it may be applied.

I hereby release, discharge, and agree to hold harmless Akoya, its legal representatives and assigns, those for whom Akoya is acting and those acting with Akoya's authority and permission, from any and all claims that may arise out of or in connection with the use of any of such photographs, portraits, or other materials, including, without limitation, any liability by virtue of any blurring, distortion, alteration, optical illusion, or use in composite or distorted form, whether intentional or otherwise, that may occur or be produced in the taking of any of such photographs, portraits, or other materials or in any subsequent processing thereof, as well as any use, reuse, publication, republication, or broadcast thereof.

I understand that this consent applies both to the period of the contest and thereafter.

I state further that I have read the above authorisation, release, and agreement, before signing it and that I am familiar with it and understand its content.
